

# Ribbon Cutting Outline

We are excited you have joined the Apache Junction Chamber of Commerce! Our next step is to prepare for your Ribbon Cutting. For this we invite current members of the Chamber to come out and welcome your business to the community.

Ribbon Cuttings are about **15-30 minutes** long and do not require food or beverage for attendees.

This event is to include:

- Ribbon and scissors for group photo provided by Chamber
- Photo shared on Chambers social media
- Photo along with 3-4 sentences about business sent to AJ News and AJ Independent (100 words or less)
- Welcome (with photo) in Chambers next issue of Newsletter

I understand that Ribbon Cuttings are only offered one time as a new business and that my membership must be paid in full before I may schedule a Ribbon Cutting.
